April Prayer Intention of Pope Francis
Universal – Workers in War Zones
 For doctors and their humanitarian collaborators in war zones, who risk their lives to save the lives of others.

Father of goodness and love, hear our prayers for the sick members of our community and for all who are in need. Amid mental and physical suffering may they find consolation in your healing presence. Show your mercy as you close wounds, cure illness, make broken bodies whole and free down-cast spirits. May these special people find lasting health and deliverance, and so join us in thanking you for all your gifts. We ask this through the Lord Jesus who healed those who believed. Amen.
