The Solemnity of the Most Holy Body and Blood of Christ - Corpus Christi

"Besides physical hunger, people have another hunger, one that cannot be satisfied with ordinary food. It is the hunger for life, hunger for love (and) hunger for eternity. The body and blood of Christ can give people eternal life because the substance of this bread is love. Living the Catholic faith, means allowing yourself to be nourished by the Lord and building your life not on material goods, but on the reality that does not perish: the gifts of God, His Word, and His Body." *Pope Francis*

Prayer for the sick and those in need:

Father of goodness and love, hear our prayers for the sick members of our community and for all who are in need. Amid mental and physical suffering may they find consolation in your healing presence. Show your mercy as you close wounds, cure illness, make broken bodies whole and free downcast spirits. May these special people find lasting health and deliverance, and so join us in thanking you for all your gifts. We ask this through the Lord Jesus who healed those who believed. Amen.
